Opening Ceremonies a Hit:

The Balticon 46 Opening Ceremonies was a seating capacity crowd. The program went off in fine fashion. The Balticon 45 Conchair Jonette Butler was not available to do the traditional passing of the hat to the Balticon 46 ConChair, so Balticon 44 ConChair Steve Zeve stood in to transfer the hat of power, a set of cat ears, to our Balticon 46 ConChair. Light saber duels on video and live, a GOH Musical performance and the awards portions of the even were swiftly and interestingly executed. MC Mark Van Name did extraordinary service with humor when needed. Another fine event.

Balticon 46 Art Show Going Strong:

The Art show staff reveals they have over 300 pieces of art in the show. Many artists new to Balticon are exhibiting.

Balticon Operations Says, "Keep hydrated, have fun but drink water."
