

## Balticon 54 Virtual Film Festival

This year, we are presenting 18 films in our film festival. These will be streamed online twice as two approximately 90-minute segments during Virtual Balticon 54. We hope you enjoy the films. In 2021 we again expect to present next year's films in our familiar venue in downtown Baltimore on Sunday evening of Balticon 55, but streaming the films should be an appropriate way to feature the films this year since we are unable to meet as a group.

So, get your popcorn ready and prepare for three hours of entertaining science fiction, fantasy, anime, and horror films.
