

Book Launch Party for Zero-Day Rising

Due to the Corona-19 Virus situation, author T.C. Weber is celebrating the launch of Zero-Day Rising, the final book of the BetterWorld cyberpunk trilogy, on the BSFS Writing Circle Zoom and Discord channels. All three books were workshopped at the BSFS Writing Circle. Because many people wanted different days to be able to attend the release party it will be held on both: Saturday October 10, 4-5 PM and Sunday October 11, 7-8 PM of 2020.

Help celebrate the virtual launch of Zero-Day Rising, the final installment of the BetterWorld cyberpunk trilogy. Author T.C. Weber will talk about the book, give readings, answer questions, and more.

In the first volume of the trilogy (*Sleep State Interrupt*), journalist/musician Waylee and her hacktivist friends exposed a conspiracy between MediaCorp and U.S. President Rand to control the flow of information and run the world on behalf of a cabal of billionaires. In volume two (*The Wrath of Leviathan*), Waylee faced life imprisonment, while her younger sister Kiyoko and her friends were hunted by a team of ruthless mercenaries. In *Zero-Day Rising*, Kiyoko resolves to free her sister and bring down President Rand and MediaCorp. However, MediaCorp unleashes its ultimate plan: direct mind control with cerebral implants. Can Kiyoko and Waylee's team stop them? Can they penetrate MediaCorp's networks and end the company's grip over humanity? All while eluding the biggest manhunt in history, in a world where everyone and everything is under surveillance?

When: Saturday, October 10, 4-5 PM; and Sunday, October 11, 7-8 PM (attend whichever one is easier).
