Dear Sir/Madam:

Please excuse our delay in thanking the Baltimore Science Fiction Society for your generous contribution to the Buck Lodge Middle School reading program and library fund. We appreciate your continued support and our goal of providing books to all students for reading at home as well as school.

This year Buck Lodge has implemented a new enrichment period in our school day. During this time several classes involve the students in a "book club" style reading group where they can read together and question and discuss the story. In this way we hope to encourage their reading enjoyment and better understand their reading by sharing the experience with their classmates. Your donation will allow us to purchase class sets of current novels for our students to use in these classes. With your support we hope our students continue to enjoy the pleasures of reading independently and develop a life-long love of reading.

Thank you again for your generous donation to the Buck Lodge reading program.

Sincerely,

James Richardson
Principal
